Product Inspection Report

Product name: Mono Ethylene Glycol

Execution standard: GB /T 4649-2008

Batch Number: 20220928T52001A-30

Inspection date: September, 28th, 2022

No.	The test items	Unit	Standard	Test results	conclusion
1	Appearance	---	Colorless transparent no visible impurities	Colorless transparent no visible impurities	Qualified
2	The mass fraction of ethylene glycol	%	≥ 99.8	99.9	Qualified
3	Water content	%	≤ 0.10	0.02	Qualified
4	The mass fraction of Acidity	%	≤ 0.001	0.00067	Qualified
5	The mass fraction of iron	%	≤ 0.00001	0.0000014	Qualified
6	The mass fraction of diethylene glycol	%	≤ 0.10	0.009	
7	Chromaticity before heating (Pt - Co)		≤ 5	<5	Qualified
8	Chromaticity after heating with hydrochloric acid(Pt - Co)		≤ 20	<20	Qualified
conclusion	This batch of product testing projects above can satisfy the JY201711067846 in the specified requirements
